

TAIEX Workshop on Assessment of Quality and Environmental Management Systems of Certification Bodies

**organised in co-operation with the
General Directorate of Accreditation**

**Venue : Hotel Mondial
Tirana,
21-22 December 2016**

Beneficiary :

Albania

INT MARKT 63054

Aim of the meeting :

The aim of the workshop is to give an overview of the amendments of certain ISO standards related to the certification of management systems.

The workshop will focus on ISO/IEC 17021-1:2015 standard by presenting the principles and requirements for the competence, consistency and impartiality of bodies providing audit and certification of all types of management systems.

The requirements for a quality management system will also be discussed by presenting ISO 9001:2015 standard, which refers to quality management system in general, and ISO 14001:2015, which focuses specifically on environmental management systems.

The workshop will enhance the capacity of the Albanian General Directorate of Accreditation to perform assessments of the quality and environmental management systems of certification bodies according to these new standards.
