SUBJECT **Informative circular ACCREDIA N° 3/2022 – Crisis in Ukraine –
Updating and replacement of the previous version of 25-05-2022**

Dear Sirs,

We inform you that, following the continuing crisis in Ukraine, the European Commission, EA and IAF have issued some provisions:

- 1) The European Commission sent a communication on the subject to EA¹ and to notified CABs².
- 2) EA issued a resolution on May 19 making the European Commission's communication applicable also to EA members not resident in Europe³
- 3) IAF has published a decision adopted by the Board on 10/05/2022, which can be found on the IAF website⁴ IAF also activated an FAQ mechanism, as had been done for the COVID emergency, to manage the related requests for clarification. Soon there will be further clarifications on the IAF website.

These communications are available at the links indicated in the footnotes.

In the light of these provisions, ACCREDIA will not issue accreditations to any Conformity Assessment Body, if subjected to national, European or US sanctions, including organizations controlled by them.

In the case of CABs which are already accredited, ACCREDIA, in the presence of violations ascertained by means of verification activities, will begin the process of suspension of accreditation, according to the applicable Regulations.
